CONTROL NOISE
NOISE
NOISE
NOISE
NOISE

Controlling noise is essential today. Sound Seal™ flexible noise control materials can help you meet or exceed OSHA and insurance standards for noise reduction. Your UP representative is an acoustical engineer who can help you custom engineer Sound Seal acoustical materials to meet your specific needs. Sound Seal materials provide STC ratings of 19 through 29, have an ASTM E-84 fire and smoke rating, are durable, and weather resistant. Call or write for literature, technical assistance and sound advice on your noise control problems.

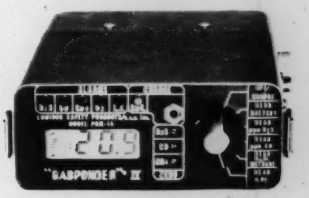
ENVIRONMENTAL SAFETY: RATE *YOUR* COMPANY

1. Do your employees work in areas in which they may be exposed to:
   - Combustible Gases?
   - Carbon Monoxide?
   - Hydrogen Sulfide?
   - Oxygen Deficiency?
2. Do you have a device which *detects* these hazardous breathing conditions?
3. Can you *measure* all the hazards?
4. Can you *warn* your employees when hazardous conditions exist?

ANNOUNCING. . .

GASPONDER® IV

which simultaneously detects, measures, and warns when methane, CO, H_2S, and oxygen deficiencies exist in your environment.



Maximum safety/maximum dependability:
- Audible & visual alarms — low battery/low flow/H_2S/CO/low oxygen/methane
- Detachable battery pack
- Rugged/portable/compact — 2⅛" × 5" × 7¾" high, 3 lbs.
- Easy to use. Back-lighted liquid crystal display. Single selector switch.

This space contributed as a public service.

CANCER. IT'S SIMPLY NOT WHAT IT USED TO BE.

Over the last 40 years, research programs supported by the American Cancer Society have made increasing progress in the treatment, detection and prevention of cancer.

In 1986 alone, the Society funded over 700 projects conducted by the most distinguished scientists and research institutions in the country.

Which is why, this year, hundreds of thousands of people will be successfully treated for the disease.

We are winning.

But we need you to help keep it that way.

AMERICAN CANCER SOCIETY®
Help us keep winning.

Created as a public service by Ally Gargano/MCA Advertising LTD.
